*Please defend women's rights  
by voting NO on Alito.*

Dear Senator \_\_\_\_\_,

I am writing today to ask you to protect the lives and futures of women and girls.

Judge Alito's record shows that, if he's confirmed, many of our fundamental rights will be at risk.

Judge Alito will not come down on the side of fairness and equality. I ask you to vote NO on Alito.

We won't go back,
