

# CALLING NOW ACTIVISTS

*WE WANT A NEW DIRECTION FOR OUR COUNTRY AND THE WORLD!*

## MARCH FOR PEACE, JUSTICE AND DEMOCRACY

**A war based on lies  
Courts stacked with right wing judges  
Spying and attacks on civil liberties  
Budget slashing of critical domestic programs  
Katrina survivors abandoned by government**

*UNITE FOR CHANGE - LET'S TURN OUR COUNTRY AROUND!  
THE TIMES ARE URGENT AND WE MUST ACT.*

We have a foreign policy that is foreign to our core values, and domestic policies wreaking havoc at home. It's time for a change.

**SATURDAY, APRIL 29, 2006  
NEW YORK CITY**

Our message to the White House and to Congress is clear: either stand with us or stand aside!  
We are coming together to march, to vote, to speak out and to turn our country around!
